## *Surrey Association of Woodturners*

The Surrey Association of Woodturners was formed in January 1990 in order to promote the art and craft of Woodturning. Our aim is to build a lively association in which an interchange of ideas and skills will be openly encouraged in order to improve the woodturning ability of all, our members.

Although we are not formally affiliated to the Association of Woodturners of Great Britain (AWGB) many of our members are also AWGB members and we maintain close links with the National Association.

We meet on the second Friday of each month at the Mytchett Centre, for a demonstration, a talk on a turning related topic, or similar feature. The evening starts at 7.30pm and every effort is made to ensure that, in addition to the main event of the evening, there is time for discussion of the craft and an exchange of useful information on sources of wood, tools and other necessities.

We do hope that you will join our Association and we look forward to receiving your application. If there is any further information that you would like please do not hesitate to ring any of the numbers given below. The Club's subscriptions are set at the Annual General Meeting. Details of our current subscriptions, can be found on the accompanying leaflet, which also give details of our meetings and demonstrations. Alternatively contact any of the Club Officials detailed below or one of our stewards at any of the shows we attend. Cheques should be made to the Surrey Association of Woodturners (SAW) and should be sent, with the form opposite, to the Honorary Treasurer (see address overleaf).
