

SURREY ASSOCIATION OF WOODTURNERS

Invitational Open Competition - 30th October 2011

Rules of the competition.

The entry form must be with the organiser by Saturday October 22nd 2011

The £1 entry fee should be paid in advance but otherwise must be paid when booking the piece in. If the piece is part of your club Table Top entry, there is no extra charge to enter the Individual Competition.

You must be a member of one of the participating clubs at the time of the competition.

Only **one** piece can be entered.

The piece should not have been entered in a competition outside your own club before.

It should have been turned within 12 months of the event.

The piece can be spindle turned or faceplate turned or a combination of both but it should have been mainly hand turned rather than machine turned. Although some decorative work done on an ornamental lathe is acceptable, the piece must show hand turning.

Carving, colouring and other embellishment is fine but the judges should be able to evaluate the turner's tooling skill in some way.

There is no theme.

Pieces must be handed to the competition organiser by 9.00a.m. on October 30th and can be collected at 4pm. Each competitor is responsible for the unpacking and packing of the piece and for looking after the packing material during the day (there will be a limited amount of space under the display tables).

The entry should not have the name of the turner or the club on it.

Only the organisers and judges may enter the area while judging is taking place.

The decision of the judges is final.

The organisers will ensure that the display area is stewarded at all times but the organisers can not accept responsibility for loss or damage beyond their control.
